The text below is a translation of writton instructions, dated 6 Apr 47, issued by the Contral Committee of the PFR to all Frovincial Committees PPR.

1. Members of the FFR must not confine themselves to purely organizational ivities, but must take a wide interest in Government labors and provincial politi economic, and social life. The greater their degree of participation is meunity life, the stronger will their ties become, and the deeper will the roots ? tho party oxtend.

- The PFR must become a school in character, initiative, and independenceschool of national, political and social education.
- The FFR must be the first in the field. Or the western and eastern confine of the country, the FFR must represent the Folish elements. Every member of the FFR is responsible to the party for order and honesty wherever he is workin the held responsible for any neglect, ill will, or sabotage which he fail. To counteract or stop in his area, Remember that the PFR is the leading perior in Poland.
